

The Washington School of Photography

The Washington School of Photography (WSP) was founded by professional photographers in 1976 to provide quality education for photographers in the Washington and Baltimore metropolitan areas. Since that time, it has grown to be respected by both amateur and professional photographers for the quality education that it provides.

The gallery, the Washington Gallery of Photography, is part of the citywide Bethesda ArtWalk. Opening night audiences generally run from 200 to 400 people.

WSP is a 501-C-3 non-profit charity.
